

# Ballet, Music and Movement classes from age 2

These classes are a fun and exciting introduction to the art of ballet and dance. Taught in English by a qualified Ballet teacher from the U.K.

## Skills

Children will learn new skills including coordination, listening and social skills, sound and rhythmic response, spatial awareness & ultimately gain self confidence.

## Imagination

With the use of creative ideas, props, instruments and a little imagination children will begin to learn the basics of ballet.

## Passion

Children will experience a passion for ballet and dance in an exciting, light hearted and positive atmosphere

## Focus

Children participate without a parent present in the dance hall. This helps to keep the children focused on the teacher and help them gain some sense of independence.

# Ballet

'Children in the Early Years Foundation Stage of learning-and-beyond greatly benefit from dance. It develops movement, co-ordination and control. And it also promotes imagination, creativity, communication, interpersonal skills and confidence.'
