Notice of intention to withdraw your child from school

If you intend to withdraw your child from our school, please note that we require TWO full calendar months' written notice in the academic year. This can be submitted in person or by email to the school. The notice period is exclusive of July and August. Please note that "calendar month" means a complete month, i.e. 1st to the last day of the month.

For example:

If you give notice of intention to withdraw your child on 31st January, the school will require you to pay tuition fees for the months of February and March.

However;

If you give notice on 1st February, the school will require tuition fees for the months of March and April. Please note: No back dated letter of withdrawal will be accepted under any circumstances.

Please contact the Admissions Office if you require further clarification of the terms and conditions written in the security deposit letter, which is signed when joining our school.
