Baby Sensory 8-12m

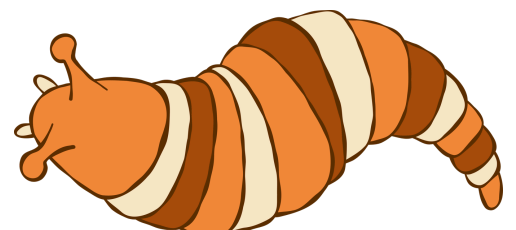

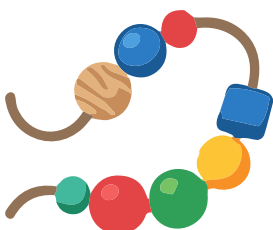

Immerse your baby in a world of imagination at our Themed Sensory Experience, designed uniquely for curious babies aged 8 to 12 months.

Each week features a brand-new, captivating theme—from enchanted underwater worlds to magical starlit skies and cozy nature trails—brought to life through safe, touch-and-feel textures, fascinating visual props, and calming soundscapes.

These changing environments keep your sitting or crawling baby completely engaged, naturally sparking early brain development, problem-solving skills, and deep curiosity as they solve the little mysteries of each new setting.

It is an unforgettable, photo-worthy journey for you and your baby to share alongside a warm community of local parents.

What happens in Baby Music & Movement

Watch your little one flourish and grow at our Baby Music and Movement session. We warmly welcome curious toddlers between 12 and 18 months into a nurturing, vibrant space designed for learning through song, rhythm, and dance.

Every child explores at their own pace through our delightful musical curriculum, which is packed with activities that naturally boost their cognitive, physical, and emotional development. From shaking instruments and clapping to playful beats to wiggling along to silly action songs, your child will build early coordination and essential social skills while having a blast.

It is more than just a class; it is a vital stepping stone for early development and a wonderful space for parents and caregivers to connect, giggle, groove, and share experiences. Spaces are filling up fast, so join our musical community today and watch your child thrive!

What Happens in Little Explorers.

Your Toddler's Next Big Step! 🚀

Bridge the gap between playgroup and nursery with a class designed for curious 26 to 36-month-olds.

This independent, 1-hour program gently builds the confidence and key skills they need to thrive at school at their own pace.

Watch Their Independence Bloom:

🎨 **Sensory & Process Art:** Sparks imagination and boosts fine motor skills.

🧘 **Music & Mindfulness:** Teaches focus, active listening, and emotional regulation.

🏃 **Active Exploration:** Builds physical confidence, co-ordination, and problem-solving.

Watch your little explorer make friends, learn freely, and take their first steps towards big school!

FUN ART

Age - 4 Years old +

SATURDAY
2:30-4:00PM

What Art techniques do we do in Fun Art?

Children can explore how to handle a paintbrush, mix colours, tearing paper, and being creative with all kinds of stuff!

A collection of various-sized triangles in shades of orange and pink, some solid and some outlined, scattered around the top of the page.

English Smarties

One of the additional classes for Zebedee students although external applications are welcome to apply. *We are always thinking of new ideas.*

English Smarties runs **Monday** to **Saturday**.

Smarties are **small-sized** classes that give students the **opportunity** to be a little more independent as they meet children from different settings.

Children can **improve** their **English** easily if they attend 2-3 days per week for the whole year. Their **confidence** will grow through natural interactive **communication** with their peers and the teacher.

Students will play **games**, make crafts and **explore** the school's environment. Enjoy story time with other **engaging activities**.

Who is this class for?

**For children to learn English in a
natural way**

It's ideal for children who are beginners in English and need a smaller class size with more exposure to everyday English. This will help build confidence learning through play and other non-pressure activities.

Talk & Talk

**Equipping children to
speak English
with confidence,
no worksheets, no books

- **Sentence Construction**

The Literacy Outcome

Master letter names and sounds as the vital foundation for flawless reading and speaking.

Learn how to spell accurately by matching spoken sounds to written symbols.

Move beyond isolated words to begin writing complete short sentences independently.

NO TEXTBOOKS. NO PRESSURE. JUST JOYFUL MANDARIN IMMERSION

Welcome to a joyful Mandarin
experience where learning feels just like
playtime!

Designed specifically for children aged 3 to 6,
our immersion classes are led by native
teachers. Here, your child builds intuitive
communication skills and a natural accent in
a relaxed, low-pressure environment.

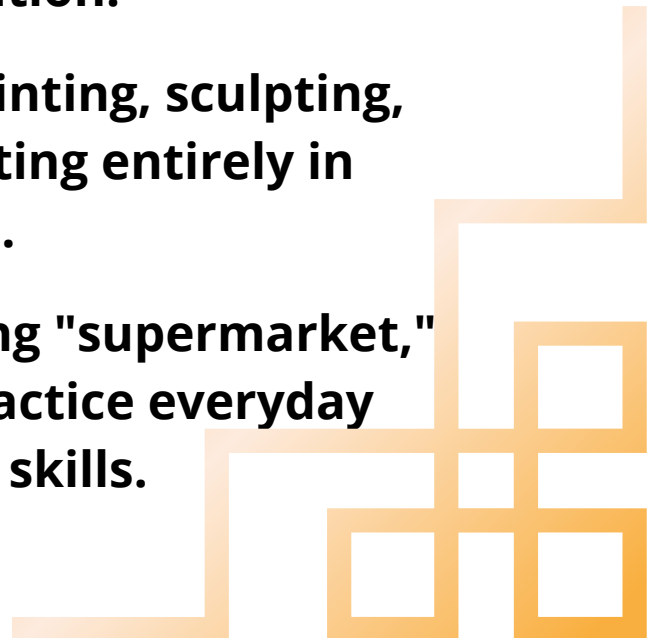

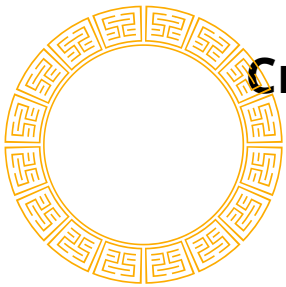

Interactive Activities We Love

Music & Movement: Singing catchy rhymes
and dancing to build a natural rhythm and
accurate tones.

Storytelling & Puppetry: Bringing words to
life through magical, interactive tales that
spark imagination.

Creative Arts & Crafts: Painting, sculpting,
and crafting while chatting entirely in
Mandarin.

Real-World Roleplay: Playing "supermarket,"
"chef," or "doctor" to practice everyday
conversational skills.
